

We have received a following invitation message about "6th European Zebrafish Development and Genetics Meeting" from

Dr. Marina, Dr. Francesco, Dr. Massimo and Dr. Karuna.

Dear zebrafish and medaka colleagues,

Registration is NOW OPEN for the 6th European Zebrafish Development and Genetics Meeting, to be held in Rome, 15-19 July 2009. Registration is on-line only at the meeting website: <http://www.zebrafish2009.org>

The meeting is a 360 degree exploration of our favorite model organism in the eternal city and will include:

- Oral and poster presentations
- Workshops
- Two keynote lectures from experts in other model organisms

A description of the meeting is available on the website.

Important deadlines: Early registration, 30 March 2009 - Abstract submission and hotel reservations, 30 April 2009.

Check out the website, and easy registration - open NOW until 30 April !

Limited to 700 participants, so don't delay.

We look forward to seeing you in Rome.

Best regards,

Marina, Francesco, Massimo and Karuna
(ZF2009 Organizing Committee)

2X1 !!

"Disease Modelling in Zebrafish: Cancer and Immune Responses" 20-22 July 2009

A workshop dedicated to experts in the field to share the latest research in cancer and

immunology using the zebrafish model, and to identify future directions where the zebrafish can uniquely help to fight cancer and autoimmune diseases. Set in the beautiful town of Spoleto, in the green Umbria Region, this workshop is a satellite meeting of the 6th European Zebrafish Development and Genetics Meeting. The workshop is limited to 100 participants.

Please go to <http://www.zfworkshop-spoleto.org> for more information.
